

INFORMATION SHEET FOR FAMILIE

BOTH Parent/sponsor and student must be present at the DMV facility to get the permit.

BEFORE going to the DMV:

1. Pick up the signed MV3001 form from the driving school instructor – the permit test can be taken with the driving school or at the DMV

2. Complete entire student section of the MV3001 form
Student should sign in 2 places

Parent **SHOULD NOT** complete ANY of their information until witnessed by the DMV employee.

3. Proof of age documents to take to the DMV with the MV3001 form:

Student's Original Social Security card

Student's Official birth certificate from the State (not a copy)

Payment of \$35.00 is required at the DMV – CASH CHECK OR CARD accepted

4. **REQUIRED ACTIONS** after the student has the permit:

Go to our website: oregonareadrivingschool.com

Sign into your student's account

Click on **upload paperwork**

Take a picture of the 2" X 3" permit only (not the entire piece of paper) and save as a jpeg file and upload jpeg file/paperwork to the student account

Then click **edit account** and type in the permit number, issue date and expiration date.

Lastly, **email the picture** of the permit to info@oregonareadrivingschool.com

NOW - PRACTICE PRACTICE PRACTICE

DRIVING WITH PARENTS AS MUCH AS POSSIBLE 4-5 DAYS PER WEEK

5. Students should drive with parents at least 30 hours with parents **BEFORE** driving with an instructor.

6. **The first drive time with an instructor WILL be early in the morning.**

This is a safety issue for the instructors and students when the parents don't prepare & practice with their kids.

7. WI STATE LAW REQUIRES STUDENTS:

- to have at least 50 driving hours with a parent, prior to getting their license
- must hold the permit for 6 months
- AND** must be at least 16 years old prior to getting their license.

Apps to keep track of student driving hours & habits:

RoadReady

TeenDrivingLog

Trypscore

FamiSafe

Good habits for new drivers

Adjust your seat & mirrors

Always wear your safety belt & make passengers as well

Use 2 hands on the steering wheel

Only use right foot to drive (unless a manual shift vehicle)

3-4 seconds following distance behind all types of vehicles

Complete stops at all stop signs

Carefully execute left-turns

Use turn signals

Check blind spot BEFORE making a lane change or turn

Gradually slow down for stop signs & stop lights

SLOW DOWN

Pay attention to changing weather conditions

Watch for speed limit signs

Yield at uncontrolled intersections, roundabouts, railroad crossings & yield signs

Watch ahead 20-30 seconds or as far as you can see, to alleviate surprises

Wipers on = Headlights on

Minimize distractions

Expect to make mistakes

Short little trips are great for getting experience

PRACTICE PRACTICE PRACTICE

DRIVING WITH PARENTS AS MUCH AS POSSIBLE – 4-5 days per week

Bad habits to avoid

NO TAILGATING

NO SPEEDING

2 hands on wheel and walk it back - NO Palming the wheel

NO one-handed driving – only exception is when backing up
